## **ADVISOR PRESENTATIONS**

### **Upcoming Council Report – Advisor Mazurkiewicz**

Council Liaison Hayden discussed Hurricane Ian Recovery update.

## **CITIZENS INPUT TIME**

Kristian Wydysh appeared to discuss his assistance on the Communications Team. He spoke as a citizen of the City where he has lived his entire life. He believed through his experience as a Student Leader, the driving voice of youth defines circumstances that will influence policy making and the direction that our City will take in the coming years. He discussed the following that could be addressed:

- Identified key issues important for securing the well-being of youth
- National Sexual Violence Research Center statistics
- Responsibility of every citizen to actively work to reduce the occurrence of such human conduct and make awareness of this topic
- Addressed issues at schools

Discussion held regarding the importance of these topics.

Chair Bernau commented any way we can advocate for others is good and maybe there was a way we could raise awareness within our community.

Discussion held regarding no objection to allow the speaker another time at the podium.

Mr. Wydysh believed every voice on the dais should encourage expression from the youth actively in every outlet that could be provided. He suggested going to a School Board meeting or organizing some type of advocacy event.

## **RECOMMENDATIONS TO COUNCIL**

### **Quarterly Report Presentation Continued Discussion**

Chair Bernau stated as discussed at the last meeting, the previously considered Quarterly Report date of December 4<sup>th</sup> and 7<sup>th</sup> were no longer applicable to our timeline. The next Quarterly Report will be held in January; the date has not been decided yet due to pending information.

Council Liaison Hayden asked the Council if they wished to consider presenting in January and suggested January 25<sup>th</sup>.

Chair Bernau requested anyone wanting to work on the Quarterly Report to check their calendar availability. She asked for a motion to adopt the proposed date of January 25,

2023 as the upcoming Quarterly Report.

***Vice Chair Little moved, seconded by Member Arevalo, to adopt January 25, 2023 as the date for presenting the Quarterly Report.***

***Council polled as follows: Ancheta, Arevalo, Bella, Bernau, Feichthaler, Little, Negrón, and Rodríguez voted “aye.” All “ayes.” Motion carried 8-0.***

Chair Bernau asked for volunteers to start working on the slides.

Vice Chair Little volunteered.

Chair Bernau requested that members share any pictures or information to be included in the slides with Vice Chair Little and submit it by January 4<sup>th</sup> to her.

Discussion held regarding contacting Ms. Griglin for a copy of the slides used previously.

## **BUSINESS**

### **Approval of 2023 Meeting Schedule**

Chair Bernau explained this agenda item.

***Vice Chair Little moved, seconded by Member Ancheta, to adopt the 2023 Meeting Schedule, as presented.***

Council Liaison Hayden commented regarding the change in the schedule to meet once a month instead of twice. He asked for the Council's feedback.

Discussion held regarding:

- Projects are done outside of meetings; less meetings would be good.
- Meetings are the planning part and can be done once a month.
- One meeting a month would provide time to meet with contacts
- One meeting a month would need to be longer meetings.
- Do service projects in between the once-a-month meetings
- Meetings will need to be longer.

Chair Bernau commented strong communication needs to be maintained. Since everyone goes to different schools and do not see each other, one meeting a month could be a barrier.

Council Liaison Hayden commented that the motion maker might want to consider an amendment to the motion to allow a special meeting when needed. He recalled a discussion at the Orlando meeting that this Youth Council is the only one in the State that

is an advisory council that must follow Sunshine. He was in the process of changing that to a Committee instead and not bound by Sunshine Law. He planned on bringing an Ordinance forward in the next couple of months.

***Motion maker amended her motion, second agreed, to include the option of a special meeting when needed.***

***Council polled as follows: Ancheta, Arevalo, Bella, Bernau, Feichthaler, Little, Negrón, and Rodríguez voted “aye.” All “ayes.” Motion carried 8-0.***

### **2022 FLC Youth Council Video Competition Continued Discussion**

Chair Bernau recalled the trophy the Youth Council received last year. She encouraged all to try for another one. At the last meeting all members were requested to submit personal statements and photos from their experience with the hurricane. She asked Member Bella for an update on the status of the video.

Member Bella stated the video was completed and uploaded to You-tube. She thanked the members who submitted material. She received some video from Cape TV and noted she reviewed prior videos.

The video was shown.

Discussion held regarding:

- This video edited better than the last one
- Well put together, looks professional
- Requirement for 150-word description of the video to be done by Member Osinski and submitted to Administrative Contact Griglin

Council Liaison Hayden suggested adding time to screens with wording so people can read them.

Discussion held regarding making changes, slowing down the video, and not ending it abruptly.

### **Spring Gala Continued Discussion**

Chair Bernau stated that previously members voted to adopt Lake Kennedy Center as the venue for the 2023 Spring Gala. She noted that Member Bella volunteered to contact a photo booth and D.J. for an estimate for services at the Gala.

Member Bella stated she spoke with Ms. Griglin after the meeting and decided to use the same D.J. but have not reached out to him yet.

Chair Bernau noted that Member Arevalo agreed to contact local vendors for catering estimates at Lake Kennedy Center and Staff regarding wall decorations.

Member Arevalo contacted Two Meatballs in a Kitchen; the price is \$50 per person, but because we are a City organization, we will get a discounted price of \$30 per person which includes four entrees, appetizers, rolls, and salad. She contacted other caterers and was waiting for responses. Two Meatballs in a Kitchen was available for March 11<sup>th</sup>. She discussed one response from Heather Decker's Custom Catering.

Chair Bernau inquired about the price from Heather Decker's Catering.

Member Arevalo stated she did not have that information yet. She spoke to the Staff at Lake Kennedy and was informed that they could go any time in February for a tour. She noted she would bring sticky tacks for the wall decorations.

Chair Bernau commented the less expensive the better since Hurricane Ian. Until there is more information on prices and more members present, voting can wait on it. She asked if any sponsorships have been obtained.

Discussion held regarding:

- Reaching out to last year's sponsors
- Date of the Spring Gala
- Limited time to finalize caterer and other items
- Some caterers already booked for that date
- Two Meatballs in a Kitchen did a great job last year, not too expensive
- Other caterers were in the area of \$100 per person

***Member Rodriguez moved, seconded by Vice Chair Little, to adopt Two Meatballs in a Kitchen as our caterer for the 2023 Spring Gala. Voice Poll: All "ayes." Motion carried.***

Discussion held regarding:

- Finding sponsors
- Contacting LCEC

Council Liaison Hayden suggested finding out how much LCEC donated last year and call Karen Ryan at LCEC.

Chair Bernau suggested coming to the next meeting with decorating ideas.

Discussion held regarding:

- Theme, colors – red, blue, and gold
- Review at next meeting - provide pictures for decorations

- Tablecloths are available
- FEMA is in the building and cannot enter the ballroom at this time.
- Compiling a list of what is available
- Alternatives for balloons due to latex allergies

Chair Bernau suggested doing some research on decorations as far as nothing permanent on the walls.

### **Senior Project Discussion**

Chair Bernau stated as discussed at recent meetings Supervisor Gerhard at the Cape Coral Art Center provided Council with the opportunity to serve as a bridge between our schools and student populations at the Art Center. Upcoming Art Gallery days at Cape Coral Art Center are:

- December 9, 2022, from 5:00 p.m. – 7:00 p.m.
- January 13, 2023, from 5:00 p.m. – 7:00 p.m.

Chair Bernau requested anyone performing at the Art Center to provide the information to the Chair.

Staff Advisor Arevalo stated Ms. Gerhard has stepped down due to raising her family and should reach out to Sam who was her Senior Recreation Specialist.

### **Junior Project Discussion**

Chair Bernau stated at the previous meeting Member Arevalo agreed to contact Parks and Recreation Department regarding curbing of the garden. She asked for an update.

Member Arevalo stated that Superintendent Vaillancourt-Kreider had put in her two weeks' notice and today was her last day. She noted that she received an email ten days before the Hurricane from another member of Staff but that there was nothing new to report.

Discussion held regarding:

- All members were encouraged to inquire in their extracurricular activities and groups to see if there was any interest

Chair Bernau spoke to membership of her school's Student Government who was eager to help and participate.

Discussion held regarding:

- Bring names of organizations to the next meeting
- Plan on getting materials

- Delay due to Hurricane
- Waiting for approval prior to moving forward with finding materials

### **The Love Locks Project Continued Discussion**

Chair Bernau stated Cultural Park had been selected as the location for this project.

Mr. Wydysh commented that he was coordinating with Administrative Contact Griglin prior to the meeting and was informed that Go Fund Me was more applicable for individuals instead of Government entities. It would be out of our reach to proceed with Go Fund Me.

Chair Bernau commented we will need to think of more ideas for fundraising.

Member Arevalo commented on the Grant Providers Information handout provided today and suggested a moment to review it.

Discussion held regarding:

- Providing document to Member Reamer and Administrative Contact Griglin
- Suggestion Council look at opportunities to offer a tax ID in return for a donation

Council Liaison Hayden noted he would look into a tax ID.

Chair Bernau commented that further discussion will be held at the next meeting.

### **Future Presenters Continued Discussion**

Chair Bernau asked if anyone was successful in contacting any Youth Council alumni.

Member Rodriguez commented he tried to contact last year's Member McMillan but has not received a response.

Chair Bernau commented the people she reached out to are out of state and are working on their videos to send to Administrative Contact Griglin.

### **Special Populations Continued Discussion**

Chair Bernau opened the floor for discussion on this item.

Discussion held regarding:

- Attending past events
- Communication on what Members should do at these events
- Fun experience
- Not just volunteering but to spend time with them

- Suggestion for doing crafts with them
- Social aspect
- Takes time to make a connection

Chair Bernau stated she would reach out to Administrative Contact Griglin to obtain an updated schedule of upcoming events, especially anything for Christmas.

### **Youth Council Strategic Plan Continued Discussion**

Chair Bernau opened the floor for discussion on this item.

Council Liaison Hayden questioned the task that was assigned to the Council from Advisor Mazurkiewicz even before the mission vision statement.

Chair Bernau recalled that there was a SWOT analysis which was a form listing strengths and weaknesses.

Council Liaison Hayden suggested that everyone develop what they think are the strengths and weaknesses of this Council and send it to Administrative Contact Griglin. It can be discussed at the next meeting.

Chair Bernau suggested a deadline of January 6<sup>th</sup> to submit strengths and weaknesses to her.

### **NEXT MEETING AGENDA TOPICS**

Chair Bernau opened the floor to discuss the agenda topics to add to the next Youth Council meeting.

Discussion held regarding topics and items to add to the next meeting agenda.

Chair Bernau asked for a motion to add the following to the next meeting agenda:

- Item 10.C. – Spring Gala Continued Discussion
- Item 10.D. – Senior Project Discussion

# CAPE CORAL YOUTH COUNCIL QUARTERLY REPORT

# New Member

- Applications were open for a junior position with the deadline being October 21th.
- Member Feichthaler was selected as our new member and attended his first meeting November 15th.
- We're happy to have him here!

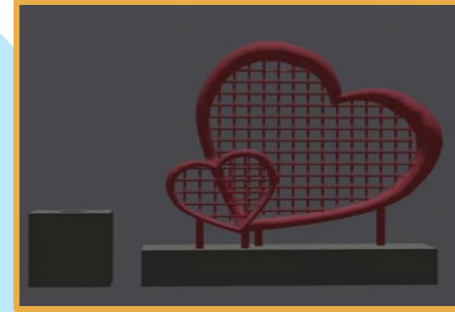

# Spring Gala

- Our Spring Gala is coming up soon! (Saturday, March 11th)
- We decided for the location to be the Lake Kennedy Center instead of the Palmetto-Pine Country Club.
- We decided that Two Meatballs in a Kitchen is going to be catering the event.
- Our theme centers around “royal” colors, like gold, ruby red, and navy blue.

# Love Locks Project

- A specific location has been chosen within Cultural park for the construction as indicated in the bottom image with the yellow box.
- We are still trying to gather scrap metal donations and grants.
- We have created a donation link through GoFundMe for any that are interested in supporting us.

# Senior Project

- Our Seniors decided on partnering with the Cape Coral Art Center to promote student musical performances, acting as promoters to their respective schools to encourage groups like band and choir to participate.
- Due to the project relying heavily on communication and engagement with students, Hurricane Ian has delayed our work, however, we are still working towards this project.

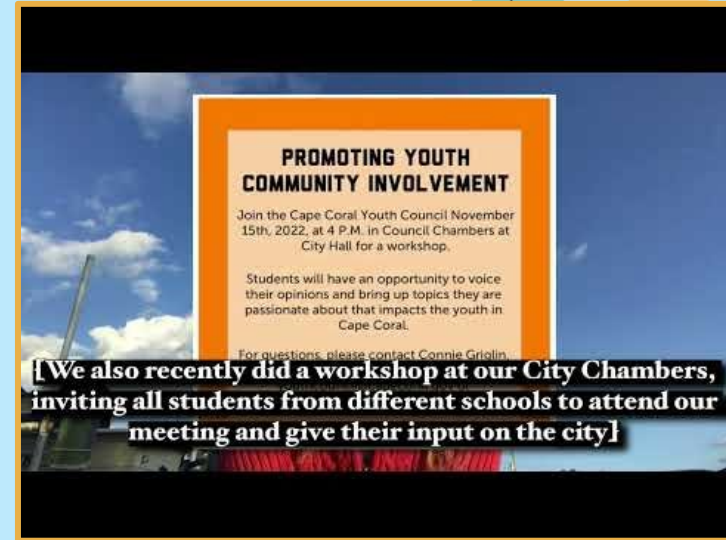

# Junior Project

- Our junior project this year is building a Kindness Rock Garden that will have a community event of painting the rocks to promote positivity and unity.
- Unfortunately, Hurricane Ian pushed back a lot of our communications and developments of that project.
- Member Arevalo has contacted Supervisor William Muniz, and we have confirmation to have the rock garden stationed at Lake Saratoga Park.
- We have started research on contacting local businesses for possible donations, such as construction retail for rocks or art centers for paints.

# FLC 2022 Youth Council Video Competition

- During our September 9<sup>th</sup> meeting, Administrative Contact Griglin suggested for us to enter the FLC Video Competition
- The theme this year is, "How has your Youth Council made a positive impact on your City government and its residents?"
- We decided to talk about our experiences with Hurricane Ian.
- Member Bella worked on the storyboard and technical aspects, accepting video submissions from other members.
- Member Osinski worked on the written aspects of the summary and questions.

# Helping Our Community

- There were two primary events where we volunteered our time as a council.
- (Pictures on the right) On October 28, Vice Chair Little and Members Arevalo, Bella, Negron and Reamer attended the Halloween Bash over at Lake Kennedy Center with the Special Populations.
- (Picture on the left) On December 3, Chair Bernau and Members Bella, Osinski and Ancheta attended the Holiday Festival of Lights and assisted in the Lighting Ceremony.

# The Future

We're working on our SWOT analysis and strategic plan so we can become even stronger as a council. Our next meeting is in City Council Chambers on February 10<sup>th</sup> at 3pm. We hope to see you there!

Bernau, Allison	our council operates as a diverse range of perspectives from various schools in our district, with some schools having multiple representatives. This allows for more opportunity to amplify student voices.	our council does not meet frequently enough to provide familiarity and ease of communication, it can be difficult to properly coordinate due to sunshine law and certain limitations			Something that we as a council can do to improve moving forward is volunteering for /assigning tasks at the meetings to allow for more accountability at the coming meeting. This means that we can hopefully be more productive as a council and accomplish our goals. Another thing we can do is work on our strategic plan, outlining specific achievable goals to best identify how we want to move forward, so we can move forward.

The Cape Coral Youth Council was established in 2017 and is comprised of 14 members, one junior and one senior, from each of the six Cape Coral high schools, as well as one at-large member. The fully established board works in advisory to the Cape Coral City Council, making recommendations to certain topics and representing the younger population of Cape Coral in city government, as well as advocating for city-wide issues within their peers.

### In Progress: The Love Locks Project

The City of Cape Coral Youth Council has begun making progress towards constructing our very own Love Locks Statue. Located at Cultural Park in Cape Coral, the statue will be constructed as a way to bring involvement on local projects in our community. We will be accepting donation funds for our project through a GoFundMe linked on our socials.
