**Upcoming Ethics Competition sponsored by FGCU discussion –
City Councilmember Nelson**

Jennifer Nelson, Councilmember and Executive Director for the Uncommon Friends

Foundation, stated the mission of the Foundation is to assist in investing in our leadership and our future leadership by: 1) scholarship program; 2) business ethics; and 3) historic preservation. She discussed the upcoming Ethics Competition at FGCU and invited the Youth Council members to participate. A flyer was distributed to all members. She noted there was an electronic link for registration and explained the process of the four-hour event on May 12th. She added that Mr. Rist was committed to providing \$2,000 worth of scholarships in increments of \$500.

Brian Rist, Chair, Business Ethics Committee of the Uncommon Friends Foundation and CEO of Storm Smart, provided background on his business. He discussed the FGCU Business Ethics Invitational and encouraged the Youth Council members to participate.

ADVISOR PRESENTATIONS

City Council Meeting Agenda Report – Advisor Mazurkiewicz

Advisor Mazurkiewicz stated the Committee of the Whole meeting scheduled for February 26th was canceled. He mentioned one topic on the March 5th Council meeting agenda would be the Cape Coral Animal Shelter entitlement for the property and project.

Youth – Citizen's Academy Discussion – Advisor Williams Postponed until later in the meeting

CITIZENS INPUT TIME

Amanda Benitez, sophomore, Cape Coral High School, discussed the number of firearm attacks and threats on school grounds in the U.S. this year. She mentioned the peaceful protests at school where students gave personal accounts of how these tragedies have affected their lives. The youth of Cape Coral are looking to their representatives on the Youth Council to voice our needs and unify our concerns of our security.

Joseph Banazia discussed issues brought to his attention by Friends of Wildlife. The balloon releases at schools are harmful to sea life. The Youth Council may consider looking into this. He also suggested limiting usage of plastic bags.

Member Slafer discussed the Parkland shooting and the recent 800-student walkout at Cape Coral High School. He questioned what the Youth Council could do. He inquired if the City works with the school district for security in the schools.

Advisor Mazurkiewicz stated historically the City of Cape Coral has funded School Resource Officers (SRO's) in all high schools, middle schools, and rotated through the elementary schools. During the economic recession, that was eliminated completely. The Lee County Sheriff's Office (LCSO) has a limited presence in Cape Coral High Schools. Based on the Governor's statement today regarding additional funding for SRO's, the Youth Council may want to consider making a recommendation to City Council

to have them look into the possibility of finding a funding source to put our officers back in school.

Council Liaison Williams agreed that this was something the Youth Council can pursue. He advised them if they are going to pursue this to put together a presentation and come before Council for discussion. This would need to be put on a City Council meeting agenda so that the proper staff would be in attendance.

Acting Chair Wilson asked what the City and the Cape Coral Police Department (CCPD) does regarding the aspect of mental health.

Council Liaison Williams explained the City does not have any mental health facilities although the State or County probably has. A lot needs to be done by the State or Federal governments to change the way people buy guns.

Discussion held regarding the following:

- Contact local representative in District 19, Francis Rooney
- If we pursue this, to be very specific on what we want to change
- Letter writing campaign at Cape Coral High School - send letters to your Senators, Congressmen, Governor
- Not to focus on a certain controversial law
- Supporting SRO's

Council Liaison Williams stated if you're going to take a stand as a group, then you are representing the City and you will need to come before the City Council for approval.

Member Slafer stated he was working to form a group to advocate common sense gun reform. It would be outside of the Council at a public location. He hoped to get a bus to go to D.C. on Saturday, March 24th, for the March for Our Lives event. He stated if anyone was interested to text him.

Acting Chair Wilson thanked Mr. Banazia for expressing the concern to reduce the usage of plastic bags. He also thanked Ms. Benitez for voicing her points.

Advisor Mazurkiewicz stated the CCPD is one of the agencies that uses the Bob Janes Center where they bring in people who have different emotional issues. He suggested having someone from the Police Department at the next meeting to explain how to go about getting a SRO.

Member Slafer stated Mayors across the country have asked their Governors to act. He questioned if Mayor Coviello has done this. Should the Youth Council ask him to make that recommendation?

Council Liaison Williams stated he did not know what the Mayor has done up to this point because of the Sunshine Law. Someone from the Youth Council should come to the next

Council meeting and present that idea.

Youth – Citizen's Academy Discussion – Advisor Williams

Terri Hall from the City Manager's Office explained the following about the Citizen's Academy:

- Program started in 2008
- For Cape Coral residents who want to learn about City operations
- Each department hosts a day and walks you through what they do
- Trying for a number of years to get a version to work for youth and young adults
- Two semesters, 60 hours, 13 weeks, 4 to 6 hours every Wednesday
- Program can be condensed
- Looking for ideas on what the group would be willing to do

Ms. Hall stated it is difficult to do this in the evenings because we do not have the staff. An abbreviated version could be considered and get some key members to attend. If you want to pick six weeks or evenings that works for you, we can pull the departments together and come up with a plan. She doubted that they could come on Wednesdays for 13 weeks in a row. She noted this could be opened for other young adults in the future if this works for the Youth Council. She questioned if they want to do this during the school year or during the summer.

Advisor Mazurkiewicz suggested that the City Manager's Office share electronically with the Youth Council the curriculum for the Citizen's Academy as it exists today for review. See what appeals to the Council and possibly take an abbreviated version. Based on how much you want to see, put it into two days of intense meetings, maybe during a winter or spring break, rather than the summer, where you would spend 8 hours here for two days. Identify what appeals to you so that Ms. Hall could try to formulate a program that fits your interests.

Acting Chair Wilson asked if anyone was opposed to a two-day program. No one was opposed.

Ms. Hall stated that was a great idea and with enough notice, we can pull everyone together. She asked if the Council could pick a few dates that work for them.

Acting Chair Wilson asked the members if they still wanted to keep it in the summer.

Member Baxter stated the public schools get out on May 29th. The next break after the spring break (March 19-23) would be that last week of May, so at the very beginning of the summer we should all still be here and she thought that would be a good time to do the condensed version of the program.

Ms. Hall agreed.

Acting Chair Wilson asked if Ms. Hall could send them through email information regarding the departments so the Youth Council could send their recommendations or discuss this at the next meeting and pick out which ones they want to attend.

Ms. Hall stated she would sketch a two-day agenda for the Youth Council for their review.

Council Liaison Williams stated someone should act as a liaison from the group to coordinate this with Ms. Hall. He agreed two days was a good start and hoped that this would evolve into a Citizen's Academy for Youth in the City.

Member Saunders volunteered to work with Ms. Hall on a two-day program.

BUSINESS

Citywide Recycling Topic – Member Slafer (Continued) Moved to next meeting

Job Shadowing – Advisor Cagle

Advisor Cagle noted the flyers were sent to the Council and to each high school. The problem is the connection to get the students into the program. We have done everything we could in getting the packets out to schools. We could use help from the Youth Council in going to your students and asking them. If this continued, this is something that will not be sustainable.

Member Slafer asked Mr. Cagle if he distributed it to the Guidance Offices or Administration and if it was electronic or paper.

Advisor Cagle stated it went by paper copies to the Guidance Office, as well as posted on the City website.

Member Slafer stated what we all need to do before the next meeting is to advertise as much as we can throughout our schools. At our next meeting we should all report on what we did to advertise.

Member Saunders requested the packet again as well as the link on the City website.

Discussion held regarding the following:

- We should all talk to Guidance and make them aware of what the program is.
- We should get the word out to all of our clubs.
- Print out the flyer and hand them out to the students at school.
- Give this information to teachers who have department meetings.

Advisor Cagle stated he will forward the electronic copy and link. This is a pilot program, so the better that this works now, the better the chance we add other departments to it.

Member Slafer asked if the issue of credit hours was discussed with the school.

Advisor Cagle stated they attempted it, but it was not approved through Tallahassee. It was not at the local levels, but at the State level, and that was for getting credit to be used towards college, and they did not accept it. It would not hurt to submit it again next year for that purpose.

Budget Discussion

Member Slafer stated we have a \$5,000 budget from the City Council. Since our original budget was denied, we have not discussed how we are going to spend the money allotted in the amended budget. There is a variety of things we can do. This will be addressed at today's Budget Subcommittee meeting.

Discussion held regarding:

- What the money should be spent on?
- Florida League of Cities (FLC) trip should come of our budget
- Need to be looking for other training
- Possibilities of spending money in order to gather data within our schools with some sort of group effort
- Using some money for events such as buying concessions for Movie Night
- How can we access this money?

Council Liaison Williams stated the Youth Council has to get approval from Council to spend the money. He stated if they if they were going to do the ethics competition as the Youth Council, that would be an item that could be used from the budget.

Member Slafer asked for show of hands on who would be interested in doing it as a group. (Majority of the show of hands agreed to do it as a group.)

Council Liaison Williams stated it you are going to go out and represent the City of Cape Coral, the expenses would be paid out of your budget. He suggested it might be more fun to have individual schools to each have a team.

Member Baxter stated money should be set aside for the Florida League of Cities (FLC) this year. She questioned how much that cost and if they needed to put in a request soon.

Council Liaison Williams stated last year hardly any money was expended because Ft. Myers picked up the transportation, and the FLC covered the food. City Council covered the registration fee. He stated information was sent out on the FLC competition this year.

He inquired if they were doing something. He stated this should be put on the next meeting agenda.

Discussion held regarding the following:

- Where the money comes from
- Budget is basically a maintenance budget
- Mostly to cover operational expenses
- If you wait too long until something comes along, the money may not be available.
- Going to City Council if they needed more money; the budget was not totally restricted to \$5,000.

Member Slafer asked what Council Liaison Williams recommended that we discuss at the subcommittee meeting.

Council Liaison Williams stated you should have a meeting so that everyone is on the same page and knows what is going on.

Advisor Mazurkiewicz recommended a starting point with the original budget approach of \$20,000; you have \$5,000, take the original budget numbers and drop it down by 20% to 25% per area and see if that will cover what it is that you want to do. If it does not, then you re-direct within those areas. Plan to expend those funds in a way which you originally contemplated and not just wait until something comes up. Of that original amount of money, there was a set aside for opportunities for capital expenditures or donations for capital expenditures. We did travel, training, and capital. Start from there and do internal transfers until you have enough to do what you want to do.

Member Slafer stated after our Strategic Vision meeting, we are on a new path. The only thing on the original budget besides minor expenditures such as printing and miscellaneous is our FLC trip.

Acting Chair Wilson asked how much the FLC trip costs.

Council Liaison Williams stated he did not remember. There was an individual registration fee. He will research that and provide the information.

Acting Chair Wilson questioned if we should keep that money in a reserve.

Member Slafer stated if we carry out this Council in the way it was established, there should be little cases in which we need to spend money unless our focus changes in the future. We still want to do FLC. At our last budget meeting, we were talking about a training in Miami. We budgeted for two different events for training and that is something we can view in a subcommittee meeting. He questioned if these were our only expenditures.

Acting Chair Wilson agreed and added that it could be spent for things such as the ethics

competition.

Discussion held regarding looking at the budget of the City Council and if the Youth Council should follow the same.

Member Slafer asked if everyone agreed that we did not need to have a Budget Subcommittee meeting. **Consensus agreed.**

Movie in the Park

Member Baxter stated she sent out an email last week. She questioned if everyone received it since no one contacted her. Everyone who is able to come is expected to be there. She would be arriving around 4:15 p.m. and asked anyone who could help to set up to arrive around 4:30 p.m. She hoped everyone was advertising the event and bring at least two friends or family members. Bring something for a raffle. She reminded all to inform sponsors what charity it was going to. Wear Youth Council shirt.

Acting Chair Wilson stated he did not get the email since his password needs to be reset. He could provide a raffle.

Member Baxter announced that this event will take place at Jim Jeffers Park. Concessions will be sold out of the recreation van. The representative from Blessings in a Backpack was not able to attend due to illness.

Member Saunders stated she did not get the email but will try to attend.

Member Baxter stated she will ask Kristen where they should meet and then she could text everyone. She also was locked out of her email.

Member Reid stated he had a donation from BJ's and will give it to Max after the meeting.

Member Baxter stated BJ's will be listed as a sponsor since they donated a bunch of concessions.

Advisor Cagle stated he would be bringing the mobile recreation van which has a six-foot table, four chairs, P.A. system, WiFi, all the infrastructure needed plus electricity. He noted that concessions cannot be sold out of the van.

Discussion held regarding the following:

- What they would be selling and all the donations received
- Cecilia from Blessings in a Backpack will not be in attendance
- How to handle the cash received

NEXT MEETING AGENDA TOPICS

Member Slafer moved, seconded by Member Saunders to add the following topics to the next meeting agenda for March 9, 2018: 1) Citywide Recycling, 2) Job Shadowing, and 3) School Safety. Voice Poll: All “ayes.” Motion carried.

Acting Chair Wilson asked Council Liaison Williams to invite Chief of Police Newlan to address the School Safety item.

Council Liaison Williams – next meeting he will make arrangements to get the Police Chief or one of his staff to attend plus someone from the City Manager's Office. He stated if you are getting locked out of your email, please call the Council Office. Please consider the FLC competition. He noted there was a link on the FLC website regarding the ethics competition.

Advisor Mazurkiewicz – No report

Advisor Cagle – No report

Communications Director Delong – No report

Assistant City Clerk Bruns stated the Clerk's Office has set aside staff and recorders for three subcommittee meetings immediately following this meeting. Assets/Budget group

will not meet. The second meeting for the Strategic Vision was cancelled due to only member (Member Saunders) of that group present (Member Bevan was excused). There is the availability of the Strategic Vision Time and Process group for Acting Chair Wilson and Member Cerretani if they wish to meet today.

Member Saunders asked if the next availability will be at the next meeting if we are both present.

Assistant City Clerk Bruns stated we are currently scheduling them directly after the regular meeting to help with attendance.

Acting Chair Wilson and Member Cerretani stated they could not stay late today and will go to the next meeting date.

TIME AND PLACE OF FUTURE MEETINGS

Canceled and rescheduled for next meeting date - Subcommittee Meetings of the Cape Coral Youth Council will be held on Friday, February 23, 2018, directly after the end of today's meeting to discuss Strategic Plan assignments in Council Chambers.

A regular meeting of the Cape Coral Youth Council was scheduled for Friday, March 9, 2018, at 3:00 p.m. in Council Chambers.

Acting Chair Wilson called the meeting to order at 3:04 p.m.

Pledge of Allegiance

Roll Call: Members Bernau, Bevan, Dunkle, Hare, Molfino, Rodriguez, and Vice Chair Wilson were present. Members Baxter, Reid, Saunders, Shawver, Troche, and Chair Slafer were excused. Member Cerretani was absent.

Also in attendance: Rick Williams, Council Liaison
Joe Mazurkiewicz, Advisor
Todd King, Parks and Recreation Special Events Coordinator
David Newlan, Chief of Police
John Szerlag, City Manager

Due to the absence of a quorum, this Committee met as a workshop.

APPROVAL OF MINUTES (February 23, 2018 meeting - to next meeting)

CHANGES TO THE AGENDA/ADOPTION OF AGENDA

Acting Chair Wilson stated because there was no quorum, the agenda would be moved up to start with Advisor Presentations.

ADVISOR PRESENTATIONS

Parks and Recreation Special Events Coordinator King announced that the March 24th Sounds of Jazz and Blues Event needed volunteers. He requested that the Youth Council pass the word on to their fellow students. He mentioned all the volunteer opportunities available such as greeters, ticket sales, parking attendants, clean up, and set up. He stated volunteers can log on to the website and check off the section they wish to participate in.

City Council Meeting Agenda Report – Advisor Mazurkiewicz

Advisor Mazurkiewicz stated at the last City Council meeting, Council unanimously approved the Development Order for the Cape Animal Shelter. It should be breaking ground in a couple of months. At the next City Council meeting on Monday, March 19th, Ordinance 21-18 will be voted on. This pertains to the extended bar hours. The proposal is to extend Saturday, Sundays, and some holidays from 2:00 a.m. closing to 3:00 a.m. closing.

BUSINESS

Acting Chair Wilson stated since Chair Slafer is not here today, the following item would be moved to the next meeting: **Citywide Recycling Topic – Member Slafer (Continued to next meeting)**. He noted that due to the interest of time, the item on School Safety will be moved up.

School Safety

Chief of Police Newlan explained what they were currently doing for security and safety issues for the Charter Schools. He discussed what their future plans were for covering all the schools in the City with the following:

- Security Aspect – Security Inspection
- Look at things that can be immediately fixed, no cost, low cost, higher cost
- What can be addressed in the current policy
- Submit findings to the schools
- Police presence was in the high schools and middle schools before the economic downturn, staffing level issues
- Lee County Sheriff's Office (LCSO) covered after Cape Coral Police Department (CCPD) had to pull out
- Intent was always to get back into the schools
- In order to get into the high schools again, four more School Resource Officers (SROs) would be needed plus one supervisor.
- Four SROs will be in the Charter Schools as of Monday, March 12th.
- Need to work it out with the School Board and the LCSO, slow integration

Discussion held regarding the following:

- No timeline of getting SRO's back into the schools
- 35 Officers needed to maintain levels of response times currently, separate need
- FY 2020 more achievable than FY 2019
- Location of the SRO at the Charter School
- Cost to the City: Chief of Police Newlan estimated four officers and a supervisor would cost \$750,000 to staff the high schools.
- Can State Legislature provide funds?

City Manager Szerlag discussed his full support for the Police Department and all efforts in order to keep the community safe, especially the school children. He explained the hierarchy on how funding is done in the City:

- Public Safety is our number one priority.
- The second issue in prioritizing our funds is our Infrastructure.
- The third element is Quality of Life.
- Lastly is the Administration.

He asked the Youth Council what they considered to be the biggest challenge, problem, or issue that faces our community, the county, the region, the state, or the nation.

Member Bevan asked what was being done to continue the development of downtown. City Manager Szerlag explained what they were doing currently with the 47th Terrace Streetscape Project.

Member Dunkle asked about keeping residents in the City and getting higher paying jobs in the area. City Manager Szerlag responded how they are trying to engage other businesses that pay more money to come into our area to keep our youth.

Acting Chair Wilson asked about the development of the North Cape including the Seven Islands. City Manager Szerlag discussed the North 2 Project and how the water/sewer will be in place in a few years. He noted the progress of the Seven Islands Project which City Council has already approved the concept plan. It would include a hotel, a conference center, restaurants, a marina, another commercial mixed used facility which includes residential areas with 8 stories high. He stated it would be going to the Planning Commission for a zoning ordinance change, then to City Council for final approval.

Council Liaison Williams went back to the original topic regarding SRO's in the schools. He asked who pays for the LCSO Officer. Advisor Mazurkiewicz stated it was presently being split between the LCSO and the schools.

Council Liaison Williams asked if having our own people in the schools can be addressed in the upcoming budget. Chief of Police Newlan stated he would be agreeable to a slow integration in the high schools first, the following year the middle schools, etc.

Advisor Mazurkiewicz mentioned the recent legislation that was passed in the House and the Senate was waiting for the Governor to sign off on. He stated that Bill would have additional money for putting SRO's into our schools. He questioned how this would impact funding for officers in schools.

Chief of Police Newlan stated he did not know at this time. He hoped it would go more towards our area because of what recently happened.

Advisor Mazurkiewicz stated there was \$500 million to be split amongst 67 counties in the State of Florida, pro-rated based upon the number of students. He stated this may facilitate the integration of the four officers for the high school.

City Manager Szerlag continued asking the members about their questions.

Member Rodriguez inquired about the congestion of traffic in the County. City Manager Szerlag stated what compounds our traffic is the fact that a lot of people go over to Fort Myers to work except for the 30,000 who work in Cape Coral. He mentioned 8% of our tax-based revenue comes from commercial and industrial buildings, and 92% comes from single family residential structures. He noted the 40/60 split would be more desirable for commercial/residential.

Member Rodriguez asked what we were doing to keep up with the growing population of the City. City Manager Szerlag mentioned the purchase of irrigation water with FGUA (Florida Governmental Utilities Association) and with Southwest Aggregates. He stated our drinking water needs are taken care of for several decades. He mentioned the Master Economic Development Plan and the rewriting of the LDRs (Land Use and Development Regulations). There is an ordinance coming soon to promote growth in an orderly fashion. He would like to see us attract more commercial and industrial properties which will give us more commercial and industrial jobs. There will be approximately 450,00 people at buildout.

Member Hare questioned how to attract more tourism. City Manager Szerlag stated Cape Coral will have a reputation for a destination point with things such as Streetscape. He noted that we are the safest city in Florida with a population over 150,000.

Member Molfino asked about the status of the median beautification. City Manager Szerlag stated by the end of this month there will be a Stakeholders Group addressing the medians in the City and will work on beautification. He mentioned the ongoing costs in the budget.

Member Bernau asked what other than funding is the City doing to work with Special Populations and mental health issues. City Manager Szerlag stated there is a facility where special needs population come in every day. He would need to get with staff to see what else they can do.

Advisor Mazurkiewicz stated the 92/8 for residential/non-residential revenue is unique in our City with 45% built out and 55% vacant lots. He discussed that the amount of vacant lots in the City is our manufacturing base and explained all the fees that are assessed on a vacant lot. He stated the best hope would be to have 80/20.

Acting Chair Wilson asked if there were enough mental health facilities in the City. Chief of Police Newlan explained that all officers are trained to deal with mental health issues.

Acting Chair Wilson asked about any steps the CCPD takes to monitor social media. Chief of Police Newlan stated they have looked into software out there for monitoring, and there are things we have that we can do now.

Member Bevan asked if all schools needed to tighten up sign-out procedures after the

incident at the Oasis Elementary School. Chief of Newlan stated all organizations should review their policies and procedures regularly. Staff should be trained on a constant basis.

Acting Chair Wilson asked what can our City do to push for more school safety. Chief of Newlan stated schools are very open to the recommendations from the CCPD and how trends have to be applied.

Acting Chair Wilson thanked both Chief of Police Newlan and City Manager Szerlag for coming to the meeting and addressing School Safety.

Job Shadowing – Advisor Cagle (not present)

Acting Chair Wilson asked all members for their input on what they did since the last meeting.

Member Molfino stated she checked with her Guidance Counselor who was not aware of these applications. She stated she would have to promote it throughout her school.

Member Rodriguez stated he talked to a couple of counselors. He printed out the email sent regarding Job Shadowing and gave it to some of the department heads and teachers. He met with the Principal today and explained it to her. He did not have any club meetings yet until next week when he will promote that there. He spoke to one teacher who might incorporate Job Shadowing into her lesson plans.

Member Hare stated she spoke to her Guidance Counselor who was unaware of this. She stated she would try to get it to the news so that they can announce it.

Member Dunkle stated she will have a meeting with the Dean of Students next week.

Member Bevan stated her Guidance Counselor has just returned from a family leave, but she will follow up with her soon.

Member Bernau stated she spoke to her Guidance Counselor earlier this week who was not aware of it. She will give him paper work on it next week.

Acting Chair Wilson stated he met with one of the Guidance Counselors who was also unaware of it. He stated the Guidance Counselors will mention this to some of their students to see if there is any interest.

NEXT MEETING AGENDA TOPICS

Acting Chair Wilson asked if any member had any agenda topics for the next meeting. No one had any topics. He asked staff what was currently on for the next meeting. Recording Secretary Kerr stated the Citywide Recycling topic would be continued at the

next meeting.

Council Liaison Williams stated before the next meeting the City Council will be voting on the extended bar hours issue at their March 19th meeting. He requested that this be put on the next meeting agenda for input. He encouraged the members to watch the meeting to get more information and take it out to your peers to see what they think about it.

Acting Chair Wilson asked if these bars were located where the Streetscape Project is going on. Council Liaison Williams responded they would have to be in the Entertainment District. Advisor Mazurkiewicz added there were 8 or 9 that have the proper license in that area.

Acting Chair Wilson requested that a discussion of late night bar hours be put on the next meeting agenda.

Consensus agreed without objection to the agenda meeting topics.
